

# Aeris 133

Cordless analogue telephone (DECT)

- A complete product range
- Original design
- Easy operation
- Caller number identification
- Backlit display
- Baby Call

## Aeris 133, the elegant cordless phone

The new telephone generation from Swissvoice comes in an appealing, highly original design. With its rounded forms and stylish display, the **Aeris 133** is perfect for everyday use. The soft curves of the base station and the elegant rigid lines of the handset complement each other perfectly. Thanks to the navigation key and a wide range of practical functions, the **Aeris 133** is ideal for all users that seek outstanding design combined with ease of use.
